**2:00 pm – Sleeping Beauty’s Castle Photo (For everyone)**

**8:00pm – Haunted Mansion Photo (For everyone)**

Please read since there are specific instructions for each group shot. By following these instructions will ensure a smooth experience for everyone.

**12:00pm - The Baby Bats Photo, for kids only (13 year old and under).**

**At the Sword in the Stone next to the Carrousel in Fantasyland.**

**2:00pm – Sleeping Beauty’s Castle Photo**

**Due to our group has become so big, this may be the last year for this photo.**

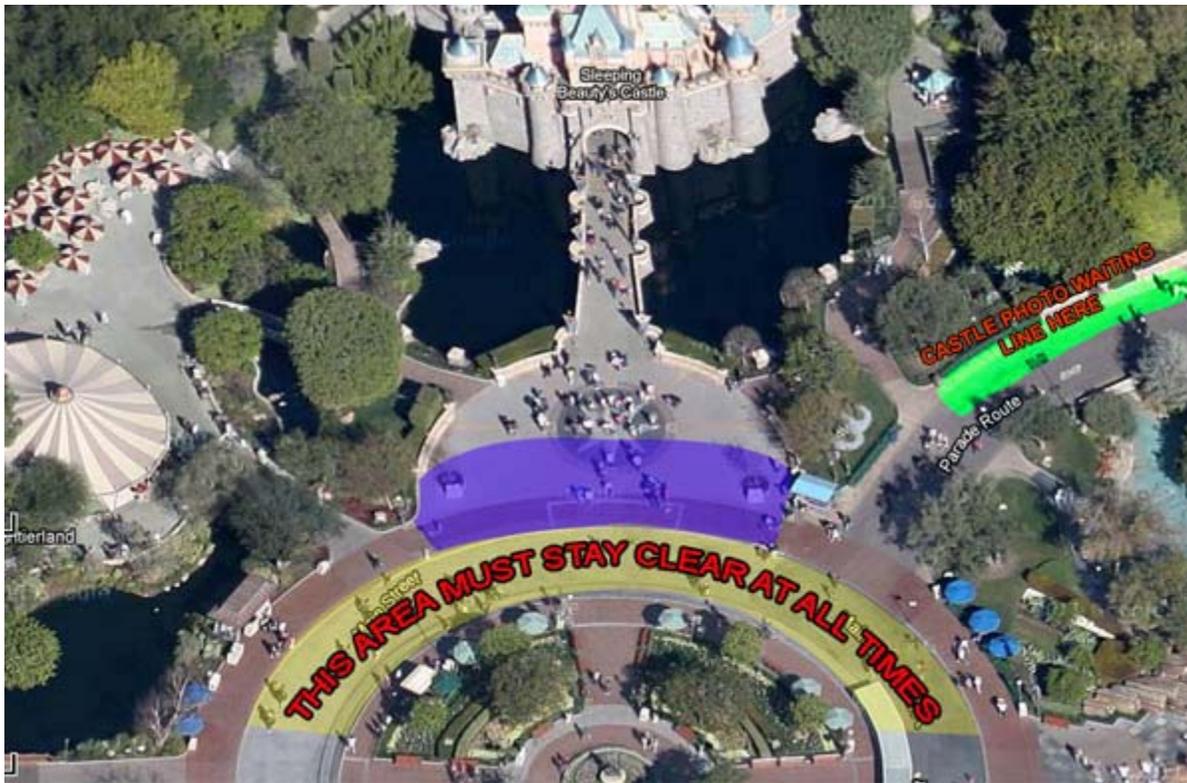

Since the Castle photo op is a large group, please read the following instructions and share this info so that this photo will be able to be taken. By following these instructions will ensure that this process is a smooth one and you will be able to be in the castle photo.

- The group photo will be taken at 2:00pm. There will be queue for us to start lining up starting about 20 mins before the photo is taken. This area will be on the right side of the Sleeping Beauty’s castle, in between the Matterhorn and the Castle. Please see the diagram. (Castle Photo Waiting Line Here)

- When Disney is ready, they will alert us when it is time for to start filling in the areas in front of the castle.

- If you arrive early to the photo op, please stay out of the street to allow all guests and ride vehicles to be able to get to their destinations. If this area gets to congested and the street is not clear, Disney has the decision to stop this photo from happening. We would hate to see this from happening. So please, the street must be free and clear at all times.

Please see diagram:

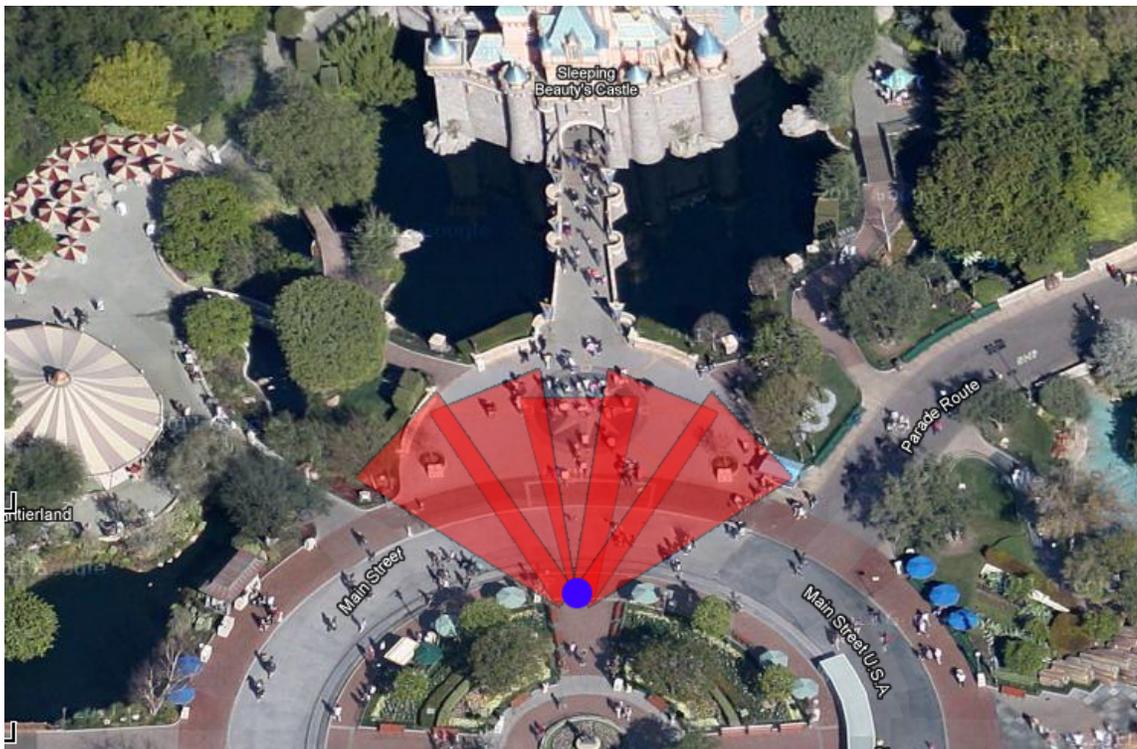

The blue marked area is where you will sit or stand to be in the photo. The yellow marked area is the street, which is in between the “Hub of Disneyland”, where the Walt and Mickey Statue are, and the area of Sleeping Beauty’s Castle. The green marked area is the photo waiting area.

- Please do not camp out on the sidewalk in front of the castle, to try to be in the front row of the photo.
- Please be advised that you are in the first 3 rows, you have to be sitting for the photo. No parasols can be open if you are in any of these rows. If you wish to stand or if you cannot sit on the ground, please be in the rows in the back. We want to make sure that everyone can be seen in the group photo.
- Everyone who wants to be in the photo cannot sit in the street. The street has to remain clear. You also have to stay in between the “Fire engine” and “omnibus” station stop poles. If you are on the outside of these poles you will not be in the photo.

Please see photo from previous year.

- You may be asked to move backwards (IE: take 3 steps back) to allow for space.
- The group photo will be broken down in to smaller group photos.  
Please see the diagram

The blue dot is the person who will be taking the group photo. The red parts are representing each photo taken. If you move during this process, your image may become distorted. Please stay still while the photo is being taken.

- If you do not wish to be in the photo, then please do not come to this photo op.
- Noah K will cue you when the photo will be taken and will let you know when the photo has completed.
- Just as a reminder, always be curious to your fellow attendees, park guests and cast members. And most of all don't forget to have fun.
- Disneyland will also be taking photos of the groups. If you would like to purchase or preview the photos I suggest that you pick up a DISNEY'S PHOTOPASS card. You can pick up one of these cards for free at the Main Street Photo Supply, which is located at the end of Main Street or from one of the Cast Members who will be taking photos. There will be a cast member at each of the photo meeting spots that will swipe your card once the group photo has been taken. When you are ready you can go to the Photopass building and look at your photos.

You can also view your photos online up to about 30 days as well as purchase all of your photos online. Disney will mail them to you on a cd. Each of these photos will be high res for printing.

### **8:00pm @ The Haunted Mansion in New Orleans Square**

Please make sure that if you want to be in any of these photos, that you get to each location 15 mins before the time listed. The group photo for each location will be take approximately 5 mins after that time stated. Disneyland will also be taking photos of the groups. If you would like to purchase or preview the photos I suggest that you pick up a DISNEY'S PHOTOPASS card. You can pick up one of these cards for free at the Main Street Photo Supply, which is located at the end of Main Street or from one of the Cast Members who will be taking photos. There will be a cast member at each of the photo meeting spots that will swipe your card once the group photo has been taken. When you are ready you can go to the Photopass building and look at your photos.

**Important \* 8:00pm Haunted Mansion photo information.\* Important Please Read.**

There will be mini group photos taken of about 30-40 people in each photo. They will be taken on the steps of the Haunted Mansion. You should plan to arrive at the Haunted Mansion around the fountain that is next to the Haunted Mansion between 7:30pm - 7:45pm.

**At 8:00** you, with your party, will start to line up to go into the Haunted Mansion queue area. Please be sure that your entire party is together before you get into line for the photo. That way you can be sure that you will all be together for your photo. To help move the photos along smoothly, **if your group is too large, it may be split up in between photos.**

There will be someone taking count of the entire group SO PLEASE WAIT FOR NOAH K TO TELL YOU WHEN TO ENTER THE HAUNTED MANSION.

During the count, while you are entering the Haunted Mansion, every 100th person who gets counted will be handed a sign with a number on it. Please make sure that you hold it up when your photo is taken. That is what number you are in the final group photo. I wonder who will get the “999” sign.

You and your group will go through the queue and when you get up to the first pillar of the Haunted Mansion one of the Bats Day Staff people will tell you to hold your spot. This person will then have 30-40 people at a time come down to the steps of the Haunted Mansion to take the photo.

This is how each photo will be taken.

Disney’s Photopass team will be taking this photo. Once the Photopass team is done taking the photo, Noah will signal you to enter the Haunted Mansion. You will enter the Haunted Mansion by walking down the stairs of the Haunted Mansion and taking the ramp that is to your left at the bottom of the stairs. This ramp will take you up into the foyer of the Haunted Mansion.

If you have any questions about the photo meet times and locations, please email the Official Bats Day in the Fun Park site. Do NOT contact Disneyland. This event is not sponsored by, nor has any affiliation with, the Walt Disney Company.
